

**VIAVETA™**

**LEGAL DISCLAIMER**

We want to do everything we can to answer your questions regarding the safety of our products and services in relation to your health.

In compliance with the European Union, FDA, FTC and other governing regulatory bodies of the food and supplement industry, our products have not been evaluated or approved to diagnose, treat, cure, or prevent any disease.

We are prohibited from speaking directly about specific disease conditions.

Due to the extremely high volume of inquiries from our customers, it is not possible for our medical professionals to respond to individual health inquiries.

We recommend that you refer to your healthcare provider to discuss your specific health concerns and the role of Viaveta's products in your health.
